

“Feliz Navidad”

December 2012

Feliz Navidad and Feliz y Prospero Año Nuevo

2012 has been a challenging but very productive year for Shoulder to Shoulder in its ongoing mission to improve the daily lives of the poor people of rural Honduras. If you have already made a contribution to Shoulder to Shoulder this year, please know that we appreciate your generosity very much and so do the people of Honduras. As we enter the holiday season, if you find that you can make an additional gift to Shoulder to Shoulder now, you can be certain that your gift will be put to work for health care, education and community service projects in this extremely needy part of the world.

If you have not yet made a donation to Shoulder to Shoulder for 2012, please consider doing so now. For over 20 years, Shoulder to Shoulder has brought volunteer time and talent as well as supplies and equipment to the rural Hondurans, who otherwise would not have access to basics like clean water, medical and dental care and education beyond the primary grades. The support of our donor community is what makes all of Shoulder to Shoulder's work possible.

Thank you for your help with this good and important work. Happy Holidays to you and your family from all the Shoulder to Shoulder and Hombro a Hombro staff.
